people access health coverage and care.*

Dear \_\_\_\_\_:

You have been approved for Commonwealth Care health insurance. To start your insurance coverage, you must call to enroll in a health plan. There are two ways to do this by internet and by phone. When you enroll, you will be told there are four plans available to choose from. **If you are a patient of Cooley Dickinson Hospital, you should be aware that currently the hospital only has a contract in place with BMC Health Net.**

**PLEASE NOTE: YOU WILL NOT HAVE INSURANCE  
UNTIL YOU ENROLL WITH A HEALTH PLAN AND  
PAY YOUR PREMIUM IF YOU ARE ASSIGNED ONE.**

**By Phone:** If you wish to enroll by phone you must call 1-877-623-6765.

**By Internet:** If you wish to enroll through the internet you must go to <https://www.macommonwealthcare.com> you will be asked to register. In order to register you must have a working email address, once you have logged in you can choose your health plan.

**IF YOU DO NOT HAVE A PREMIUM PLEASE READ THE  
FOLLOWING:**

Your coverage will start at the first of the next month as long as you have enrolled with your health plan before the last three days of the month. If you enroll after this day your coverage will have to start the first day of the second month after your phone call.

**IF YOU HAVE A PREMIUM PLEASE READ THE FOLLOWING:**

**BY PHONE:**

After you place this call if you have a premium you will have to wait up to five days for the bill to be generated then to be mailed to you. Once you receive the bill the payment must be received and processed by the 20<sup>th</sup> of the month in order for the insurance to begin the first of the next month.
