

HSN Explained

Health Safety Net Videos

Community Partners and the Division of Health Care Finance and Policy collaborated to make a series of videos explaining the Health Safety Net (HSN).

Can MassHealth patients get HSN?

Patients enrolled in comprehensive MassHealth plans (including: MassHealth Standard, Basic, Essential, CommonHealth, and Family Assistance/Direct Coverage) are not eligible for the Health Safety Net because it covers most of the same services.

Patients enrolled in MassHealth plans that do not offer a comprehensive benefit package (including: MassHealth Limited; Emergency Aide to Elderly, Disabled and Children; Prenatal; Healthy Start; Healthy Start Plus Limited; Children's Medical Security Plan; Children's Medical Security Plan Plus Limited; and MassHealth Premium Assistance) are eligible for Health Safety Net Secondary.
