MassHealth information obtained from the *MassHealth Advocacy Guide: An Advocate's Guide to the Massachusetts Medicaid Program* by Vicky Pulos from Massachusetts Law Reform Institute, 2006 Edition, pg. 157-159.

A Comparison of Services Among Commonwealth Care Plans				
Services	BMC	Fallon	NHP	Network
Audiology	√	Covers hearing screenings but not hearing aid evaluations	√	√
Chiropractic Care	No	√	No	Some – includes physician exams but not treatment
Day Habilitation	√	No	√	No
Fertility	No	No	No	No
Hearing Aid	√	No	No	√
Osteopathy	√	No	√	√
Smoking Cessation	√	√	√	√
Substance Abuse detoxification and rehabilitation	√	√	√	√

\*Some services are not available in Commonwealth Care because the service is population specific. For example, adults that need adult foster care or day habilitation will most likely receive CommonHealth.

\*\*Prior authorization may be required for services - please check with your health plan or MassHealth.
